

COVID-19 Return to Play: Phase 2

The following are the minimum guidelines for Return to Play at Seattle HappyFeet/Legends for all outdoor programming and programming outside of childcare centers. All employees, players, and guardians will sign off and agree to the terms before returning to work or to play.

Coach Requirements: All coaches will adhere to the following minimum guidelines when coaching.

- At the beginning of each shift a temperature will be taken and logged to ensure it is under 100.4 degrees Fahrenheit
- At the beginning of each shift every coach will confirm they have not had any COVID-19 symptoms or had direct contact with anyone who has had any of the symptoms in the last 14 days.
- Each coach will wear a cloth mask or mask provided by Seattle HappyFeet/Legends at all times.
- Each coach will sanitize their hands before and after each session.
- Each coach will maintain a minimum of 6 feet between themselves and others.
- Coaches will refrain from high fives or physical contact with all other coaches, parents, and players.

Player Requirements: All players and guardians will adhere to the following minimum guidelines. Any player or guardian who does not, will be asked to leave until the following guidelines can be met.

- All players will sanitize hands with sanitizer provided by Seattle HappyFeet/Legends before and after each session.
- Players will remain at least 6 feet from other players. This will be supported and facilitated by coaches and guardians.
- All players and guardians over the age of 5 will be required to wear a facial covering during session.
- All guardians will remain at least 8 feet outside of the designated playing area and will maintain 6 feet of distance between each other.
- All players will have their temperature checked and guardians will be asked to verify that the player has not had any COVID-19 symptoms or been around anyone who has in the last 14 days.
- All players are limited to one guardian per session. Exceptions can be made for siblings that are unable to stay home alone.

Field & Equipment Requirements: All Seattle HappyFeet/Legends fields will be set up with the following minimum guidelines.

- HappyFeet/Legends Sessions will have a designated and marked playing space that will include 8 feet x 8 feet playing areas for each participant. At least 8 feet outside of this area will be a marked guardian designated area.
- Each participant will do their best with the guidance of the coach to maintain distance during play. Should a participant need a guardian on the field with them due to age (2-3 years), they will be required to stay in their 8 foot playing area and meet the above temperature

Seattle

requirements. It will be the guardian's responsibility to keep them and the player in that area. Please see attached diagram.

- If there is more than one playing area per field there will be a minimum 28 feet buffer between each playing/guardian area to allow for guardians and people to walk in between. See diagram
- Each participant will be given their own sanitized and marked soccer ball for each session. Balls will be marked by colored stickers and/or bands. One child may get a green ball and the other a red ball so they know whose is whose.
- All balls will be sanitized after every session per CDC guidelines. New balls will be used for back to back sessions.
- All sessions will be spaced at least 10 minutes apart to allow for departure of one session and entrance of another. There will be designated entrance and exit.
- Each event will have a designated COVID-19 supervisor in addition to required coaches. This person will oversee all items in this plan.

These are the minimum guidelines and are subject to change at anytime based on any updates provided by the Health Department, King or Snohomish County, or the State of Washington.
